

MIA J CIANCAGLINI

GRAPHIC DESIGNER

EXPERIENCE

September 2026 - Current

Graphic Designer

United Parks and Resorts // Busch Gardens Tampa

Own end-to-end design work for corporate and hotel partner marketing collateral—from concepting through final handoff—directly supporting the Sales team's B2B outreach and strengthening regional hospitality relationships.

Design large-scale environmental signage and park-wide media assets across digital and print for major seasonal campaigns (Summer Nights, Bier Fest, Howl-O-Scream), ensuring consistent brand application across every guest touchpoint.

Lead comprehensive promotional and launch campaigns for the park's newest expansion (Lion and Hyena Ridge), translating stakeholder goals into compelling visual assets across internal and external multi-channel marketing.

Collaborate closely with cross-functional teams to maintain strict brand guideline adherence and high production standards, proactively managing multiple design projects under tight seasonal deadlines.

September 2022 - Current

Freelance Graphic Designer

Partner with Fabric to design thumbnail graphics for an interactive game space built in collaboration with Lisa Leslie and Tamir Goodman, translating concepts into clear, visually compelling entry points for users.

Partner with Greyline Media to design and prep high-visibility static graphics for Tampa Bay Sun FC stadium jumbotrons, collaborating with motion designers to ensure assets were production-ready for live match-day playback.

September 2022 - November 2025

Graphic Designer

Snack Creative

Designed for high-visibility clients including Nintendo, Niantic, and SEGA, translating complex briefs into clear, visually compelling presentations, infographics, and promotional materials.

Incorporated stakeholder and client feedback through iterative design reviews, improving satisfaction and approval rates.

Produced high-quality, brand-consistent designs under tight deadlines using Adobe Creative Suite (Photoshop, Illustrator, InDesign) and Figma.

February 2022 - June 2022

Graphic Design Intern

Tampa Bay Buccaneers

Delivered design work aligned to brand standards and specific campaign targets.

Remained current with industry trends and offered new, innovative ideas for design campaigns.

Briefed senior designer on project status and progress toward creative objectives, timelines, and goals.
